

FEAST Summer Activities

A summer activity programme for young people in school years 4, 5 and 6. It will run 8.45am-12.45pm for 12 days. Places for young people on free school meals are funded and it will be £15 for those who aren't. Places are limited so please indicate which days you would like and we will confirm booked places on 20th July. Please note that it is unlikely that a young person will be able to attend on all 12 days.

The theme for the programme is 'Being a good citizen'. Each day will include a physical activity and a nutritious brunch.
