

An informative course; I would urge anyone to do a First Aid Course, you could help someone
M Park. June 2021

Emergency First Aid Training

This has been one of the best First Aid Courses I have attended. The instructor went above and beyond to make the course practical, informative and enjoyable. I have done many First Aid courses over the years and yet I still came away learning something new! First Aid is such an important skill to have and this course has increased confidence in administering it.

J Garratt June 2021

- Instructor: Andy Butcher
- Tel 01845 524494
- Email: andy@communityworks.uk
- Dates: 26th July 2021
- Times: 9.30am – 4.30pm

True or False?

- Put your head back when you have a nosebleed.
- Help soothe and heal a burn by applying butter
- Put cold red meat on a black eye.
- Apply a hot compress to a sprained ankle.

Not sure? A recent statistic, released by St John's Ambulance, has revealed that 140'000 people die each year in the UK from incidents where first aid could of possibly saved their lives. Come to our Emergency First Aid Course
